SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

I. Preliminary Statement

Applicants submit herewith patents, publications or other information, of which they are aware that they believe may be material to the examination of this application, and in respect of which, there may be a duty to disclose.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. §1.97(g)), an admission that the information cited is, or is considered to be, material to patentability (37 C.F.R. §1.97(h)), or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

II. Identification of Time of Filing the Accompanying Information Disclosure Statement

The information disclosure statement submitted herewith is being filed within three months of the filing date of the application or date of entry into the national stage of an international application or before the mailing date of a first Office Action on the merits, whichever event occurs last. 37 C.F.R. §1.97(b). As such it is believed that there is no fee due.

The information disclosure statement submitted herewith is being filed **after** three months of the filing date of this national application or the date of entry of the national stage as set forth in §1.491 in an international application or after the mailing date of the first Office Action on the merits, whichever event occurred last but **before** the mailing date of either a final action under §1.113 or a notice of allowance under §1.311, whichever occurs first.

COMMUNICATION

Dear Ladies and Gentlemen:

On July 26, 2005, an Information Disclosure Statement (IDS) filed with the United States Patent and Trademark Office in conjunction with the above-identified patent application included an erroneous citation. More specifically, Patent No. 6,479,009 B1, November 12, 2002, Takahashi, et al was listed on form PTO/SB/08A by mistake in the July 26 submission. We had intended to identify U.S. Patent No. 6,497,099 B2 in the July 26 submission rather than the '009 patent. Please note that the accompanying Supplemental IDS identifies the '099 patent.

Respectfully submitted,

16 September 2005
